

POOL PLATFORMS

Teaching Platforms for Swim Schools

Pool platforms create a solid swim teaching standing platform in the water. The platform is designed to assist in the delivery of swimming lessons in deeper water or shallow water where students are unable to touch the bottom of the pool and it has been created especially with swim schools, pool operators & schools in mind. They provide swim schools with a safe learning environment for their students.

Standard Platform: 124cm x 65cm x 50cm high
Large Platform: 180cm x 65cm x 50cm high

Available with a rail

Double with Rail
