

**Let's swim
together!**

COMERCIAL GROUP

The world leader in customised equipment and swimsuits

We proudly cooperate with the leading Global Swim, Triathlon Brands, Federations and International Organisations.

We provide the means for you and your team to have customised products without worrying about big minimum quantity orders and with the best quality.

Design Service

Not ready to submit your own design? Our design team will help your ideas become a reality.

Love Our Clients

We'll be happy to help you during all the process. Contact us by email and phone.

Powerful & Flexible

We can adapt to your needs. From the simplest to the most complicated designs.

Premium Support

We're happy to be there for you. We have the experience from working with the most important brands.

CAP PRINTING OPTIONS

Positional print

We print small logos, medium designs, large designs, and all-over prints. We can print your design on one or both sides of the cap, on the front and the back. Up to 6 colours per side.

Names and numbers

For your team, count on our Names and Numbers service, it's everything you need. Get the swimmer's name or number printed on each side along with your logos or flags.

Photographic print

Available for all our flat silicone caps, in standard or suede finishes, for both adults and children.

Ceramic print

Get the best of our high-quality printing techniques with our exclusive ceramic print finish on suede caps. Matte cap, glossy print.

Digital print

Don't miss out on glitter inks, tone-on-tone printing, and high-definition digital printing.

Pure Black

It is an innovative printing technique for silicone caps capable of reproducing images with Pure Black gradient transitions, enabling enhanced depth, luminosity, and visual dimensionality.

PRINT SIZE & PACKAGING

PRINT SIZE

- SMALL LOGO:** Max. 40x50 mm.
- MEDIUM LOGO:** Prints till 3cm to the cap edges.
- BIG LOGO:** Prints till 0,5 cm to the cap edges.
- ALL OVER PRINT:** Reaching cap edges.

FRONTAL SNORKELS

Frontal snorkel ensures smooth arm rotation, maintain body alignment and improve stroke efficiency.

The swimming snorkel allows smooth airflow and provides healthy amounts of oxygen whilst lap swimming, triathlon to maximize speed.

Thickened head-pad sits firmly on head front, delivering comfort and eliminating movement when flip turns all four strokes.

Durable food-grade and odorless mouth piece, fits perfectly in the mouth and keep the snorkel in place. One-way purge helps to drain the water entirely during exhalation.

Sleek hydrodynamic design allows swimmers to swim effortlessly with minimal water resistance.

SUBLIMATED SWIMWEAR

**Swim Beyond Limits.
Swim Sublimated.**

Ever wondered how we achieve those eye-popping, fade-resistant designs? Enter sublimation, a cutting-edge process that transforms ink into a gas, fusing it directly into the fabric. This isn't just printing – it's a molecular marriage between color and fabric. The result? Unparalleled brilliance that won't fade, crack, or peel.

Using European fabric such as Carvico Eco Sydney and Miti Speedline we personalize your aquatic journey with our customizable designs. From bold patterns to team logos, express yourself in the water like never before. Your swimwear, your style – because champions don't blend in, they stand out.
